#### 9. Field Layouts

- Pecan Grove

Allies in Sherman Parks & Rec - TSA is speaking with Sherman to add U7 and U8 to Pecan Grove.

Connor will be accessing fields with TSA and is "pro playing"

Con: Parents have waited to sign up kids until both kids can play at the same fields.

- THF

With U7 & U8 possibly moving to PG, then TSA will have more larger field.

TSA will play during the week to avoid the delay of weather games at the end of the season

Tiffany does schedule Refs based on age groups.

#### 10. Certificate of deposit (CD)

TFH set up

The CD was originally in Kevin Nelson's name.

\$107,000 took it out of CD and put it into TSA general funds.

The account is not interest bearing.

Quickbooks that amount was placed into a separate account to start the Indoor League Sam Essin

#### 11. Uniforms

##### Decisions on reversible uniforms

A lot of disagreement on the Reversible Uniforms

Players are responsible for their own shorts because no one could agree

With no cost of the shorts it means TSA can buy nicer jerseys

TSA will provide socks. Looking at custom socks with TSA logo

Decision: TSA is going to keep the jerseys the way they are. TSA will order from Protime

Vote - for coordination sock color to Protime jerseys. **Approved**

#### 12. Empty Board spots

- Sherman Girls U8 and below
- Sherman Boys U8 and below
- Denison Boys Area Director
- VA/Howe/Anna Area Director
- Director of Appeals & Discipline
- Referee Liason

#### 13. Indoor League

Proposed tournament schedule

Starting the 3rd week in August, rotate the age groups to play on different weeks, teams would sign up if they want, TSA teams would be \$250.
